*Friends of Trainwreck* is our individual sponsorship campaign. Even when time and talent is donated, monetary funding is still required for the purchase of scripts, performance rights, scenery, costume, rental space, and other essentials of theatrical production. We would like to recognize the individuals listed below for their generosity.

## bios - continued

### **LARA DOHNER (Groupie)**

Lara was last seen as a split personality in Dubuque Senior High's *Dearly Beloved*, and TWP's *pool (no water)*. This past year, Lara contributed to Senior's win of the IHSSA Ensemble Acting All-State Banner.

### **KEVIN DUGGAN (Bad Horse, Reporter, Guitar)**

Kevin is pretty much awesome... in fact so awesome that his friends don't speak to him out of fear that they won't be cool enough. Rocking the guitar as well as the sound system set-up. Go Kevin - you are a true man of genius.

### **ANDREW LEHMKUHL (Stage Manager, Projectionist)**

You won't be seeing Andrew. As you are watching the show, he is manning the projection room. Hopefully he doesn't break anything...

## bios

### **SARAH E. SZEIBEL (Director, Music Director, Piano)**

Sarah operates, and by that, I mean sings Opera. Sarah's last project was directing and playing in Dubuque Senior High School & Andersen Vocal Art Studio's production of the opera, *The Medium*. This fall, Sarah will attend Oklahoma City University to study vocal performance and become an opera star.

### **RM DECKER (Dr. Horrible/Billy, Artistic Director)**

Decker is very excited to be a part of TWP's first musical. Most recent appearances include Smee (*Peter Pan*), Man-in-White (*House of Blue Leaves*), Husband (*Unlimited*), and director of *Godless*. He will be appearing in the world premiere of *Maggie's Reconstruction* with the Dubuque Fine Art Players later this summer. This fall, he will be a sophomore Theatre Performance major and Music minor at UNI.

### **BEN MULGREW (Captain Hammer)**

"I am a superhero... I am a superhero... I am... a... superhero?" That's not what Ben tells himself to get in character, that's what tells himself because he honestly believes it. Please don't tell him otherwise, why ruin young dreams? After this summer, Ben might fight crime, save the innocent, or finish his senior year at Wahlert.

### **TESSA HOFFMAN (Penny)**

Tessa is honestly the nicest and sweetest person in this whole production. In fact, if she wrote this bio, she'd probably do something like thank her parents, the cast and crew, her voice teacher - you know... something lame like that. Good thing I didn't let her write it. Tessa will be a freshman Musical Theatre major at Milikin.

### **JOSH COLPITTS (Moist, Groupie)**

Most recently, Josh has been seen as Wiley (*Dearly Beloved*), a Wickersham Brother (*Seussical*), and Renfield (*Dracula*) for which he received the Outstanding Lead - Thespian Choice Award. He was also in *pool (no water)* and will be attending UNI to major in Theatre.

### **LAUREN GALLIART (Bad Horse, Reporter, Groupie, Mayor)**

Would like to thank her job for helping her learn how to multi-task and juggle her multiple personalities in this show. Lauren was most recently seen performing Wendy in the Grand Opera House's *Peter Pan*. Lauren is currently attending UNI and majoring in Theatre.

*Bios continued on the back.*

***The performance is approximately one-hour and will have no intermission.***
